Third, I wanted to make whatever steps I took toward decolonization and reconciliation to be purposeful and meaningful. It's not been an easy process, and it's not over. I realize now that my commitment to this path will be a life-long journey. I had to move from interested observer to engaged participant.

A Journey Toward Decolonization: One Step at a Time | The ...

Reconciliation requires honesty. Whether you were the offender or the offended, prepare to hear things about yourself that you may not like. Be willing to admit that you were wrong, that you were hurt, and to see things from the other person's perspective. Your desire and willingness to reconcile shows your strength.

How to Reconcile With Someone Without Losing Your Pride ...

Reconciliation. I see science as a way to chase after and better understand God and the wonders with which he's filled our world. There is so much left to be explained - and I hope to see explanations penned in my lifetime. The central way I reconcile this thirst for knowledge with my faith in Christ is choice. I choose to believe in God.
