The Rho Agenda is the second of three trilogies. 9 books make up this amazing, heart-pounding story. 'Immune' is book #5. Before starting this trilogy, I would suggest reading the first trilogy - The Rho Agenda: Inception. There we meet key players, providing a much bigger picture.

Immune (The Rho Agenda, #2) by Richard Phillips

Another excellent adventure in the Rho Agenda series. This book is a direct sequel to the first book in the trilogy, Second Ship. It continues the story of two alien spacecraft that were found after having crashed to Earth. One by the Government, and one by three high school students.

Rho Agenda (Chronological) Series by Richard Phillips

This is the second book in the Rho Agenda Series. It works as a stand alone novel but is better if you read the 1st book (Second Ship) prior to this one. Actually, You would be better off reading the entire Rho Agenda Inception series first as it is a prequel and gives you all the background you need on Jack Gregory.

THIS BOOK This exciting Part 2 of the Rho Agenda series ups the ante for the three teenage protagonists and we follow them through a suspenseful

web of lies and intrigue. Phillips draws the net more tightly around the three (and the world!) without giving himself leave to reinvent his universe - the suspense he masterfully built in Part 1 continues its hold and we remain on our toes.
