Single instructions: Give your child only one instruction at a time. Simple language: Keep language simple and direct. Break verbal instructions into parts: Instead of ...

Following Instructions - Kid Sense Child Development

Divide the task into baby steps. Each step should have a single action, not several. If you have more than one or two sentences per step, it probably can be broken up into smaller, less complex steps. For example, instead of writing "Put the dog's collar around its neck and attach the leash," break it up into: "Fasten the dog's collar around its neck" and "Attach the leash to the collar."

How to Write Clear Instructions (with Pictures) - wikiHow
