iPhone: the Missing Manual, 6th edition covers iPhone models 3GS, 4, 4S, and 5, which I find to be very helpful because not every iPhone owner will have the latest model. The missing manual also covers the functions added with the iOS updates up to iOS 6.0.0 so you can see if your phone benefits from the new features added. This is useful as you won't be searching your iPhone for ages trying to find a function that's not supported.
