and the Americas, we see how deep-rooted racism continues to affect people of all ages.

Children Believe stands against racism - Children Believe

Racism and Intolerance uses general language to address a complex topic. An emphasis on empathy—"How would you feel if that happened to you?"—will likely help children grasp the importance of equal treatment. The soft artwork and accessible, age-appropriate language make this well suited to curious kids in the picture-book set." —Booklist

Children in Our World, Racism and Intolerance by Louise

...

Institutional racism doesn't just affect adults but children in K-12 schools as well. Anecdotes from families, research studies, and discrimination lawsuits all reveal that children of color face bias in schools. They're disciplined more harshly, less likely to be identified as gifted, or to have access to quality teachers, to name but a few examples.

How Racism Affects Minority Students in Public Schools

Louise Spilsbury recognizes that children need to begin learning about racism and intolerance before racist, intolerant attitudes engrain themselves in children's thinking. Her book *Racism and Intolerance*, from the "Children in Our World" series, provides a simple, understandable introduction to the ideas.
