The Fossil Girl
Ten-year-old Mary Anning, her brother Joe, and their widowed mother are eking out a meager existence running a little fossil shop in the seaside town of Lyme Regis. After a storm wipes out most of the shop's merchandise, Mary and Joe begin the slow work of restocking the shelves.

The Fossil Girl: Brighton, Catherine: 8601404254031 ...
The Fossil Girl by Catherine Brighton is a good story to teach students about fossils. I would use this book to introduce students to fossils and their characteristics. I could also use this book to talk about other different types of rocks such as igneous, metamorphic, and sedimentary rocks. I would use this book for students in 3rd-4th grade.

The Fossil Girl by Catherine Brighton
It's 1811. Ten-year-old Mary Anning, her brother Joe, and their widowed mother are eking out a meager existence running a little fossil shop in the seaside town of Lyme Regis. After a storm wipes out most of the shop's merchandise, Mary and Joe begin the slow work of restocking the shelves.
